

Technique Versus Procedures

Do you have something on your mind that you would like to discuss that affect General Aviation VFR or IFR Operations? How about questions about FAA regulations, maintenance or ground operations? This event will be presented in a "round-table" open discussion forum. Come prepared with some questions to ask our speaker Joe Kemmerer or to discuss with your fellow pilots and aviation enthusiasts. If you would like, you can submit your question/discussion topic in advance to Joe at JoenRose12@yahoo.com

Directions: From Orlando area take Hwy 441 north thru Apopka toward Zellwood. 3 miles past Plymouth turn left into airport located along 441
From Mt. Dora area take Hwy 441 south thru Zellwood drive past airport on right to first right turn into airport entrance

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
