

Jacksonville Approach Control 'Operation Raincheck'

Jacksonville Approach Control is hosting "Operation Raincheck" at the Gainesville Regional Airport. The meeting will run from 10:00am until 2:00pm. This is an opportunity for pilots that operate in Jacksonville Approach Control airspace to hear about and discuss with ATC Controllers recent procedural changes that have taken effect and those coming in the near future, ATC and pilot best practices followed by an open discussion period to address any questions.

Directions: From Hwy 24 - NE Waldo Rd. take NE 39th Ave to the airport terminal entrance. Parking will be validated.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
