

## Don't Sweat It - It's Only A Check Ride!

The Jacksonville FAASTeam is pleased to present Ernie Strange, Instructor and DPE. Ernie has been conducting practical tests in this area for quite some time, and has a unique vantage point for helping people understand what is expected. We will review the process, how to ace it, and common reasons for failure. Specifically we'll discuss airworthiness, preflight, loss of control issues, pilot deviations and runway incursion avoidance. Ernie will also answer plenty of audience questions on the subject.

**Directions:** Jacksonville Airport Authority - Craig Airport conference room located at the base of the Control Tower. If flying in please park at Sky Harbor.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
