

Rockwell Collins Avionics Roundtable

Join us for this moderated pilot discussion in a roundtable format regarding Rockwell Collins Avionics operating issues, challenges and best practices. Emphasis will be placed on sharing real world operator experiences to give you practical knowledge and skills to more safely and knowledgeably manage your avionics system.

Directions: The Broadmoore

1 Lake Avenue Colorado Springs, CO 80906

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
