

# Collision Avoidance and Traffic Advisories – ATC and Pilot Responsibilities

Mr. Rick Lovell a support specialist in charge of quality control at Daytona Beach Approach will discuss; “Collision Avoidance and Traffic Advisories – ATC and Pilot Responsibilities” This is something that Rick has seen that is misunderstood and that pilots (and controllers) do not always communicate well to each other.

**Directions:** Park in short term parking lot. Parking vouchers will be provided. Parking is free. Enter the main terminal building, up the escalator and follow the signs to the safety seminar. Fly-In aircraft, Sheltair is the closest FBO, about a 5 minute walk to main terminal. Sheltair will not charge a ramp fee to seminar attendees on the seminar day. Sheltair phone 386 255 0471.

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
