

## We'd better get back to basics!

Discussion of all phases of any flight from preflight to landing, including a discussion of situational awareness and common pilot errors when using GPS.

**Directions:** The Leesburg Airport Administration Building is across the street from the Sunair Aviation Fixed Base Operator (FBO) in the northwest quadrant of the airport. See map link for illustration.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
