

## Alcohol, Medications, Holidays, and your Medical

The Jacksonville FAASTeam welcomes Kevin Holthaus, MD, AME. Dr. Holthaus will present on the topics of alcohol impairment in pilots and personnel, comparisons of alcohol quantities in various drinks, the manners in which alcohol impairs judgment and reflexes, hazards of alcohol in combination with various medications, hazards of alcohol at altitude, and the myriad issues associated with DUI.

**Directions:** Jacksonville Airport Authority - Craig Airport conference room located at the base of the Control Tower. If flying in, please park at Sky Harbor.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
