

Maximum Fun, Minimum Cost: How to Form and Operate a Successful Flying Club.

AOPA's Kelby Ferwerda and Jamie Beckett present a free seminar designed to demystify the process of starting and running a successful flying club.

Directions: Place a card or sheet of paper reading "AOPA" on your dashboard ahead of time; parking lot attendants at the venue will direct you to the appropriate parking area. Take Medulla Rd. to main Sun-n-Fun entrance gate. Aerospace Center for Excellence is just inside the gate on the left; look for the old blue Convair Sea Dart on a pedestal and you're in the right place. The seminar takes place on the second floor of the west wing of that building, in the Eickhoff Conference Room.
