

Orlando FSDO FAAST Team presents:

A Cold Reception in the US

A Cold Reception in the US

After a wedding weekend in Canada, you're hopping south across the border to get home to Seattle, Washington. The only catch is that potentially sub-freezing clouds stand between you and your appointment with U.S. Customs and Immigration. If you go through, there might be trouble with one branch of the government, and if you don't there might be trouble with another branch. What will you do?

This seminar will offer you 1 Advanced Knowledge Credit for your WINGS phase and will serve as the monthly EAA/IMC Club meeting. Come join the discussion with your fellow aviators and learn what they would do in this particular scenario. Your opinion is valuable to other pilots with less experience than you may have; please participate and share.

Directions: The Vigilante Room at Sanford Airport; it's in the Rental Car Building near the Commercial Airline Terminal. If you fly in to KSFb for this WINGS event, you can park at Millionair FBO and get a courtesy ride over to the seminar's location in the Vigilante Room.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
