

## AOPA Rusty Pilot Seminar at Fort Pierce Airport

Life may have gotten in the way, but the dream of flight can be yours again. Returning to the skies is not as difficult as most rusty pilots think. We're inviting you back into the cockpit and will help you get there. No FAA checkride or test involved! The seminar is free and satisfies the ground component of a flight review and partly completes a phase of WINGS. AOPA members: please pre-register on-line at [https://ww2.eventrebels.com/er/Registration/StepRegInfo.jsp?ActivityID=15385&StepNumber=1&\\_ga=1.19621816.1847377484.1417646602](https://ww2.eventrebels.com/er/Registration/StepRegInfo.jsp?ActivityID=15385&StepNumber=1&_ga=1.19621816.1847377484.1417646602)

**Directions:** From I-95, take exit 138 for Indrio Road; head east 6 mi. Turn right on US Highway 1, go ~1.6 mi. Turn right onto N. 25th St.; proceed ~0.5 mi. Take first right onto Industrial Avenue 3, and proceed ~0.3 mi. Your destination is on the right, just past Industrial 31st St.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
