

2016 SUN-n-FUN Forum - Meet the FAA

Numerous changes are coming to the FAA, including the new compliance philosophy, airspace and aircraft modernization, pilot and medical certification changes, the rapid growth of Unmanned Aircraft Systems, revised aircraft certification, and pending FAA multi-year re-authorization, just to name a few. Come to this popular and free interactive forum to hear the latest news from senior FAA officials, and see how it all may affect you!

This is a live presentation only.

Directions: The FAA Safety Center (new name: Orlando Field Office) is centrally located on the Sun-n-Fun grounds at the corner of Laird Drive and Sun-n-Fun Road. Forums entrance is on the west side of the building.
