

## Seaplane Safety Seminar

Discussion on the importance of the proper use of checklist in seaplane operations, and review the benefits of the FAA WINGS Program. Jason Schappert, CFI and author, will present a case study analysis of the JFK Jr. accident, and what we all can learn from it. Attendee participation is encouraged and welcomed.

**Directions:** Tavarer City Hall is one block from Tavaris seaplane base, a short 3 minute walk. The seminar will be held in the City Council Chambers.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
