

FAASTeam presents:

# ADS-B Outreach for the Glider Community

ADS-B Out is mandated on all US aircraft beginning January 1, 2020. Aircraft certificated without an electrical system were to be initially exempted. There are updates pending to this exemption that may affect the Glider community and other types of aircraft with no electrical system. John Fisher, an FAA subject matter expert, will discuss these issues and answer audience questions in this live outreach event.

**Directions:** From Orlando, take I-4 west to Exit 64 - US 192 west; take 192 all the way west to US 27 north. Take US 27 north approx 1 mi to left turn onto CR 474 west. Take 474 west all the way west til it joins SR 33; turn right (north) on to SR 33 and go approx 2 1/2 mi north to approx 800 ft past the fork for CR 561 north. Look for sign on left indicating Seminole Lake Gliderport; follow road to destination; be alert for aircraft operations; yield to aircraft.

For Lakeland / Tampa departures, take I-4 to Exit 38, SR 33 / Commonwealth Ave. north; upon passing CR 474 intersection, follow directions as above. If coming south on SR 33, proceed to junction with CR 561 and back-track approx 800 ft, then look for sign for Seminole Lake Gliderport on left side of road, resume with directions as above.

#### **A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.

## Event Details

**Wed, May 4, 2016 - 14:00 EDT**
