

## Back to Basics that keep us Flying!

Plan to attend this interactive and entertaining yet serious look at all phases of any flight from preflight to landing, including a discussion of situational awareness and common pilot errors. Remember the basics that keep us flying. Don't miss this opportunity to refresh your knowledge and improve your piloting skills. Presented by Rock Rockcastle.

Rock Rockcastle, a well known and accomplished Flight Instructor and Aviation Speaker spends his days at SIMCOM fine tuning pilot skills for all. Rock brings years of valuable experience direct to you.

**Directions:** Main entrance, First door on left.  
Fly-in, advise ground going to FIT Ramp

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
