

**YOUR MELBOURNE AIRWORTHINESS/AVIONICS
FAASTeam is proud to present:**

PROPER PROCEDURES:

IMPORTANCE OF COMPLYING WITH MAINTENANCE PROCESSES AND PROCEDURES

7:00 — 9:00 PM Wednesday, September 8

**Eastern Florida State College
Melbourne Airport
640 Harry Sutton Rd.
Melbourne, FL**

This seminar will use several, actual aircraft accidents that resulted from procedural oversights by both pilots and maintenance personnel. The goal is to demonstrate how the accident chain developed and provide discussion on the importance of even small events. All aviation enthusiasts and participants are encouraged to attend.
