

iPads in the Cockpit

Join us for an interactive and informative workshop to learn how to better use the iPad EFB and its amazing features. With a focus on ForeFlight, we'll go through basic and advanced features so you can reduce your workload and learn what features you have at your fingertips on your next flight!

Directions: Fly In-Park at main terminal, event is in the classroom upstairs
Drive In-Park at main terminal, event is in the classroom upstairs

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!
