

# 2017 SUN-n-FUN Forum - Aimen Certification Standards (ACS) Update

Susan Parson (FAA HQ) and Eric Crump (Polk State College) will update you on the latest developments and changes coming to Airmen Certification Standards (ACS), which is gradually replacing the Practical Test Standards (PTS). ACS is already in use for Private Pilot Airplane (all classes) and Instrument Airplane testing, as well as for Remote Pilot - Small Unmanned Aircraft Systems. Come and learn what's coming up in ACS!

This is a live presentation only. Free seminar! WINGS credit available!

**Directions:** The FAA Safety Center (other name: Orlando Field Office) is centrally located on the Sun-n-Fun grounds at the corner of Laird Drive and Sun-n-Fun Road. Forums entrance is on the west side of the building. Pre-registration highly encouraged!
