

2017 SUN-n-FUN Forum - ADS-B Solutions

Most aircraft will need to have "ADS-B Out" equipment upgrades installed and operable by January 1, 2020. Come and hear Matt Schloss from Gulf Coast Avionics discuss the types of equipment you can get now in order to be compliant. 2020 is closer than you may realize! Don't become grounded! Answers are here today at this FREE forum.

This is a live presentation only. Free seminar! WINGS credit available!

Directions: The FAA Safety Center (other name: Orlando Field Office) is centrally located on the Sun-n-Fun grounds at the corner of Laird Drive and Sun-n-Fun Road. Forums entrance is on the west side of the building. Pre-registration highly encouraged!

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
