

2017 SUN-n-FUN Forum - Aircraft Maintenance

Proper aircraft maintenance is essential to safe flight. Whether you maintain your own aircraft or contract for these services, you can learn a lot from this forum. David Dagenais is the Aviation Program Manager at Florida State College Jacksonville (FSCJ) and has tremendous expertise to pass on relating to aircraft maintenance best practices.

This is a live presentation only. Free seminar! WINGS credit available!

Directions: The FAA Safety Center (other name: Orlando Field Office) is centrally located on the Sun-n-Fun grounds at the corner of Laird Drive and Sun-n-Fun Road. Forums entrance is on the west side of the building. Pre-registration highly encouraged!

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
