

2017 SUN-n-FUN Forum - Weather Technology In the Cockpit (WTIC)

Gary Pokodner is the FAA's Program Manager for the Weather Technology In the Cockpit (WTIC) program. He is an insider with a message to share on the WTIC programs goals and objectives, and will bring to the audience the latest developments in this potentially lifesaving initiative.

This is a live presentation only. Free seminar! WINGS credit available!

Directions: The FAA Orlando Field Office (FAA Safety Center) is centrally located on the Sun-n-Fun grounds at the corner of Laird Drive and Sun-n-Fun Road. Forums entrance is on the west side of the building. Pre-registration highly encouraged!

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
