

## What Is That VLOC Button For?

Do you know what that VLOC button is for? How about the CPE button? What if you lose your GPS, do you remember dead reckoning? This seminar will be full of information that will benefit the IFR and VFR Pilot!

**Directions:** From Orlando area take Hwy 441 north thru Apopka toward Zellwood. 3 miles past Plymouth turn left into airport located along 441  
From Mt. Dora area take Hwy 441 south thru Zellwood drive past airport on right to first right turn into airport entrance

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
