

FAASTeam presents:

Rescue at Sea

USCG SAR Team from CGAS Miami, FL will provide an aircraft static display and then discuss scenarios of rescue at sea with GA aircraft by the pilots, rescue swimmer, and maintenance crewman. Equipment will be demonstrated and discussed. GA onboard equipment and maintenance will be covered.

Directions: Flight Safety International Hangar, RM M (closest to the ramp), 100 feet north of the KVRB tower.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
