

FAA Safety Team presents:

FAASTeam Representative Annual Recurrent Training

All FAASTeam Rep's must keep current with certain annual training requirements, including in-person recurrent training sessions (biennially for Lead Rep's and annually for Rep's). The Orlando FSDO FAASTeam Program Managers (FPM's) conduct this recurrent training periodically at locations throughout the District. If you cannot attend this one, there will be several others in different locations throughout the fiscal year. Come and learn about the latest program and policy updates from FAASTeam Leadership! Note: Recurrent training does not satisfy Initial training requirements. Initial training will be scheduled separately.

Initial training includes the following topics in detail; Recurrent training will be more brief:

- Organizational structure of the FAASTeam
- National Performance Plan (NPP)
- Responsibilities, professionalism & ethics of FAASTeam Rep's
- Accident / Incident statistics' influence on national, regional, and district goals, including special emphasis items
- Airman counseling
- Remedial Training (RT)
- Identifying safety hazards
- Safety events; GAJSC Topics of the Month
- Aviation awards support

Event Details

Thu, Dec 7, 2017 - 18:00 EST
Jacksonville Executive Airport at
Craig

855-1 St. Johns Bluff Rd.
Airport Admin Bldg.
Jacksonville, FL 32225
