SEBRING EXPO

For the enthusiast
to the obsessed.

January 24-27, 2018

Sebring's
U.S. Sport Aviation Expo:
EXPOnentially More

Sebring's U.S. Sport Aviation Expo is the aviation event where you can be so much more than just a spectator. Here, you can try, fly, and buy everything sport aviation.

Year after year, we attract the best and brightest from the aviation, drone and automotive world.

From amazing aircraft to automotive test-drives on the iconic Sebring Raceway...

From drone racing to speakers that represent the who's who in aviation...

We jam pack the Expo full of exciting and groundbreaking opportunities to see and be seen. Sebring's U.S. Sport Aviation Expo is not just an Expo. It's the one event that you simply can't miss.

2018 Exhibitors:

Visit www.sportaviationexpo.com to register for next year's Expo and be seen by one of the largest aviation audiences around.

Where: Sebring Regional Airport - located six nautical miles southeast of the central business district of Sebring in Highlands County, Florida.

Stay In The Loop: Keep up to date on the latest Expo news. Register your email address to receive regular newsletters from the U.S. Sport Aviation Expo.
