

Orlando FSDO FAA SafetyTeam presents:

## **FAASTeam Rep Annual Training - Session 2**

All FAASTeam Representatives are required to maintain currency in that role, in part through annual recurrent training (bienial for Lead Reps). Training topics are derived from FAA Order 8900.1, Volume 15 and the FAASTeam Representative Manual. FAASTeam Program Managers Tony Alfaya and Bob Jex will lead a review of items Rep's need to know, and will facilitate discussions and feedback on ways to enhance your effectiveness as Rep's!

Note: If you have previously attended Rep Training within the past year, you need not attend this session. There will be additional offerings throughout the year at other locations within the Orlando FSDO.

**Directions:** From St Johns Bluff Road, turn East into the main airport entrance. Proceed down the main road, turn right on Amelia Earhart Drive (4th right). Ernie's office is located in the front, far right side, of the large "Sky Harbor" hangar, with the black awning over the door.

#### **A message from the National FAASTeam Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
