

Orlando FSDO FAA Safety Team presents:

FAASTeam Rep Annual Training - Session 3

All FAASTeam Representatives are required to maintain currency in that role, in part through annual recurrent training. Training topics are derived from FAA Order 8900.1, Volume 15 and the FAASTeam Representative Manual. FAASTeam Program Managers Tony Alfaya and Bob Jex will lead a review of items that Rep's need to know, and will facilitate discussions and feedback on ways to enhance your effectiveness as Rep's!

The FPM's hold several Rep Annual Training sessions throughout the year, plus Initial Rep Training at least once. Our final Annual Training session is planned for 6 Dec (DAB); dates and venues subject to change. Attendance at any of these sessions will satisfy Annual Refresher Training requirements.
