

Orlando FSDO FAA Safety Team presents:

Weather and the NTSB

Mr. Donald Eick is a Senior Meteorologist in the Office of Aviation Safety in the Operational Factors Division, of the National Transportation Safety Board (NTSB) where he provides technical weather analysis and documentation for accident investigations. He has over 39 years of experience in aviation weather and has been with the NTSB since 1998. During that time has been involved in hundreds of general aviation, regional, majors, and international air carrier accident investigations. In this 2-hour seminar, Don will discuss weather-Related Loss of Control Accidents and how to avoid them, and we will look at several recent accidents of interest in Florida.

Directions: Park in short term parking lot. Parking vouchers will be provided. Parking is free. Enter the main terminal building, up the escalator and follow the signs to the safety seminar. Fly-In aircraft, Sheltair is the closest FBO, about a 5 minute walk to main terminal. Sheltair will not charge a ramp fee to seminar attendees on the seminar day. Sheltair phone 386 255 0471.
