

# SUN-n-FUN 2019 Forum - BasicMed - How To Fly Safely Without An FAA Medical Certificate

Approximately two years ago, the FAA published 14 CFR Part 68, better known as BasicMed, opening the skies once again to many pilots who might otherwise have been grounded. To date, over 35,000 pilots have opted in to this alternative medical clearance program. Come and learn the basics of BasicMed and hear about recent program updates from an FAA insider.

This is a live presentation only. Free seminar!  
WINGS credit available!

**Directions:** The FAA's "Orlando Field Office" (aka FAA Safety Center) is centrally located on the Sun-n-Fun grounds at the corner of Laird Drive and Sun-n-Fun Road. We are the large building with the rooftop deck. Forums entrance is on the west side of the building.
