

## SUN-n-FUN 2019 Forum - FAA Runway Safety Program

Wrong surface operations have led to runway incursions, near misses, surface collisions, and fatal accidents. Art will talk about some of the leading causes of these incidents and things we can do to avoid them.

This is a live presentation only. Free seminar! WINGS credit available!

**Directions:** The FAA's "Orlando Field Office" (aka FAA Safety Center) is centrally located on the Sun-n-Fun grounds at the corner of Laird Drive and Sun-n-Fun Road. We are the large building with the rooftop deck. Forums entrance is on the west side of the building.
