

SUN-n-FUN 2019 Forum - The Kings On Avoiding Unwanted Adventure

After an aircraft accident and discovering their own sense of vulnerability, John and Martha say they have become "born-again pilots." The Kings deliver an entertaining and educational program, where they use humor and stories from real-world cross-country experiences to vividly illustrate principles of risk management and pass along practical and insightful tools you will use forever. This is a live presentation only. Free seminar! WINGS credit available!

Directions: The FAA's "Orlando Field Office" (aka FAA Safety Center) is centrally located on the Sun-n-Fun grounds at the corner of Laird Drive and Sun-n-Fun Road. We are the large building with the rooftop deck. Forums entrance is on the west side of the building.
