

SUN-n-FUN 2019 Forum - Experimental Aircraft Certification Procedures

The presentation will cover all of the steps required to obtain a Special Airworthiness certificate in the Experimental, Amateur Built category. Covering topics from the forms required to what an applicant should expect from their DAR. Included will be many helpful hints to make the experience easy and enjoyable. This is a live presentation only. Free seminar! WINGS credit available!

Directions: The FAA's "Orlando Field Office" (aka FAA Safety Center) is centrally located on the Sun-n-Fun grounds at the corner of Laird Drive and Sun-n-Fun Road. We are the large building with the rooftop deck. Forums entrance is on the west side of the building.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
