

Orlando FSDO FAAS Team presents:

## **Leesburg Pilot Forum**

Representatives from the City of Leesburg airport manager, the City of Leesburg airport Fire Station, Leesburg Air Traffic Control Tower, and Sunair Aviation will be present to provide the latest information about Leesburg Airport. If you fly into or near Leesburg Airport, come and hear what makes Leesburg Airport the great facility it is, and the fine services it provides not only to pilots, but to the surrounding community. This is a great opportunity to talk to the people who maintain a safe environment for us to use, whether you are based at the airport, do flight training, practice approaches and/or transit through their airspace.

Leesburg Tower ATC Controller Charlie Justice will speak about the air and ground activities at the airport and will be available to answer any questions you may have.

Ms. Tracy Dean, the City of Leesburg Airport Manager, will update us with the latest news about the airport, including future plans.

The City of Leesburg Fire Department, who provide fire and rescue services at the airport will have a representative present to discuss services available and answer any questions you may have.

Brain Sapp, President of Leesburg premiere Fixed Base Operation at Sunair Aviation, will be
