

Orlando FSDO FAA Safety Team presents:

CFI Special Emphasis Program Webinars During May

Please pre-register for each webinar individually on the host platform website as indicated; do not pre-register here. All webinars are on Friday mornings at 10 AM EDT. Each webinar is worth WINGS credit as specified in the specific event description in SPANS.

Directions: The free Orlando CFI Special Emphasis Program (CFI-SEP) seminars are back in May under a new format: weekly webinars! Each Friday morning in May, starting May 8, we will broadcast a different speaker and topic for one hour, with the goal of improving the CFI profession and reducing flight training accidents and incidents! See below for our specific offerings, and pre-register for each one individually! See additional details of each weekly installment by clicking on each link below, and follow the GoToWebinar link provided in each listing to pre-register (do not pre-register at faasafety.gov). Topics subject to change. WINGS credit provided for each webinar!
