

How Flying Seaplanes will Make You a Safer Pilot!

Discussion of the techniques required to taxi, take off and land seaplanes, and how they will improve your land pilot skills especially with regard to your sense of wind and altitude.

More at <http://www.fsr-inc.org/FAAST/Seminar/Notice.aspx>

Directions: From Colonial Drive, turn south on Rickenbacker Dr. Continue through the Fairgreen St. intersection to the end of Rickenbacker Dr. and into the parking lot. Park in any available designated spot. Walk east to the Airport Administration Building.
