

Orlando FSDO FAA Safety Team presents:

**Florida Aviation Network Presents Plane Time! Session 1 with
Laura Spolar!**

The Florida Aviation Network (FAN) is broadcasting this popular one-hour aviation safety talk show that is recorded "Live". All aspects of aviation could be discussed in our two sessions today; however, in Session 1, we plan to emphasize the often-overlooked aviation maintenance side of things. Make time to view and enjoy "Plane Time" - It might even save your life. Watch with a friend! Special guest for Session 1 is Laura Spolar, who will be speaking with host Joel Hargis about the recently-concluded Aerospace Maintenance Competition Apr 25-28, 2022. The competition is held annually in conjunction with Aviation Week Network's MRO Americas. Teams representing educational institutions, commercial airlines, repair and manufacturing companies, general aviation and space competed to find out who's the best of the best.

Directions: To simply watch the event, there is no registration required – Just go the Florida Aviation Network site <https://www.floridaaviationnetwork.com/> and click on the Watch Live Programs link or- "Live" logo in the upper right of the display.

If you wish to receive WINGS Knowledge credit or AMT credit, please register here in the usual way. You will receive instructions during the event on how to request credit.
