

Orlando FSDO FAA Safety Team presents:

Craig Airport Runway Safety Action Team Meeting

FAA's Air Traffic Organization (ATO) organizes Runway Safety Action Teams (RSAT's) at Towered airports. These RSAT's collect safety data related to runway utilization and operations at the named airports. Craig's RSAT is preparing to hold its next meeting to debrief the public on what they have achieved since their last public meeting. Discussions will cover pilot deviations, runway incursions, safety enhancements, and future plans. Public welcome! Seating is very limited, and an RSVP with the host is strongly encouraged for this two-hour presentation! Please RSVP for ATTENDANCE with Greg Poole at crg@rvainc.com. Please register in advance for WINGS CREDIT right here. COVID-19 statement: Prior to attending a safety seminar, please review and abide by current CDC, State, and Local health guidelines.

Directions: From St. John's Bluff Road, enter the Craig Airport main entrance, and proceed down the main road all the way to the end. Building One is on the right, opposite the control tower on the left.
