

Orlando FSDO FAA Safety Team presents:

Leesburg Runway Safety Action Team Meeting

FAA's Air Traffic Organization (ATO) organizes Runway Safety Action Teams (RSAT's) at Towered airports. These RSAT's collect safety data related to runway utilization and operations at those airports. Your local RSAT Team is preparing to hold its next meeting to debrief the public on what they have achieved since their last public meeting. Discussions will cover pilot deviations, runway incursions, safety enhancements, and future plans. Public welcome to this two-hour meeting! Seating is limited, and pre-registration is strongly encouraged for this two-hour presentation! COVID-19 Statement: Prior to attending a safety seminar, please review and abide by current CDC, State, and Local public health guidelines.

Directions: Driving: Head into Leesburg on SR-441 (Orange Blossom Trail). Abeam the airport, turn south on Wilco Drive. Proceed south to Airport Blvd, and turn east (left). The Airport Admin Building is at that corner. Park where permissible. Flying: Set destination to KLEE. Part at the FBO and walk across Airport Blvd to the meeting.
