

Orlando FSDO FAA Safety Team presents:

**Orlando International Airport Runway Safety Action Team
Meeting and Pilot-Controller Forum (Hybrid)**

This is a 4-hour hybrid event, with either an in-person or virtual option. The Runway Safety Action Team (RSAT) convenes to discuss surface movement issues and concerns at Orlando International Airport and formulate a Runway Safety Action Plan (RSAP) to address those concerns. Discussions will cover pilot deviations, runway incursions, safety enhancements, and future plans. Public welcome! Seating is limited, and pre-registration is strongly encouraged for this four-hour presentation! Pilot-Controller Forum to follow the RSAT meeting.

COVID-19 Statement: Prior to attending a safety seminar, please review and abide by current CDC, State, and Local health guidelines.

Directions: The Orlando Int'l Airport Runway Safety Action Team (RSAT) workshop will be held on Tuesday, July 19, 2022 from 0900 – 1200 hours, both in-person at the Carl T Langford Boardroom (inside the GOAA Executive Offices at KMCO) and virtually on GoToMeeting (see invite below). Pilot - Controller Forum to follow at noon.

In-person option (Very limited seating capacity): The Carl T Langford boardroom is inside the GOAA Executive Offices, which are located at Orlando International Airport (KMCO) on Level 3, A side, east end of the Main Terminal.

Upon arrival to the airport, we recommend parking in Garage A. Once inside the Main Terminal on level 3, head towards the East Security Checkpoint, but of course, do NOT enter it. Keep left of it, walk down the “hallway” passing by Starbucks (on the left) and the employee lane (on the right), keep going straight until you reach the GOAA Executive Offices. Proceed through the double glass doors. Receptionist may ask the reason for your visit. The boardroom is straight ahead through the double wood doors.

COVID-19 Statement: Prior to attending a seminar, please be sure to review and abide by CDC, State, and Local public health guidelines.
