

Orlando FSDO FAA Safety Team presents:

Orlando Executive Airport Runway Safety Action Team Meeting

FAA's Air Traffic Organization (ATO) organizes Runway Safety Action Teams (RSAT's) at Towered airports. These RSAT's collect safety data related to runway utilization and operations at those airports. Discussions include surface movement issues, concerns, safety enhancements, and future plans. Your ORL RSAT Team is preparing to hold its next meeting to debrief the public on what they have achieved since their last public meeting and update its Runway Safety Action Plan (RSAP). Public welcome! Seating is limited, and pre-registration is strongly encouraged for this two-hour presentation!

COVID-19 Statement: Prior to attending a safety seminar, please review and abide by current CDC, State, and Local health guidelines.

Directions: From Colonial Drive, turn south on Rickenbacker Dr. Continue through the Fairgreen St intersection to the end of Rickenbacker Dr. and into the parking lot. Park in any available designated spot. Walk east to the Airport Administration Building.
