

Orlando FSDO FAA Safety Team presents:

Ocala Runway Safety Action Team Meeting

FAA's Air Traffic Organization (ATO) organizes Runway Safety Action Teams (RSAT's) at Towered airports. These RSAT's collect safety data related to runway utilization and operations at those airports. Your local RSAT Team is preparing to debrief the public on what they have achieved since their last public meeting.

Discussions will cover pilot deviations, runway incursions, safety enhancements, and future plans. Public welcome! Seating is limited, and pre-registration is strongly encouraged for this two-hour presentation!

COVID-19 Statement: Prior to attending a safety seminar, please review and abide by current CDC, State, and Local health guidelines.

Directions: Driving: From I-75, exit at SR 40 and proceed ~1.3 mi west to 60th Ave. Turn left (south) on 60th Ave and follow signs to the Ocala Airport. Park adjacent to the Terminal Building.
