## Event Details

**Sat, Dec 17, 2022 - 09:00 EST**

**Right Rudder Aviation**

4250 S. Airport Rd

Inverness, FL 34450

**Contact: Ray Heyde**

**(940) 453-2852**

[reheyde@aol.com](mailto:reheyde@aol.com)

Select #: SO15117642

Representative RAYMOND EUGENE HEYDE

The two-hour meeting starts at 09:00 with a social event with refreshments, followed by a brief business meeting, followed by the guest speaker. Open to all, you do not need to be a member of EAA to attend this free event. Topic for this month's event will cover the basics of stall training and spin recovery. John Weber will help you overcome your fear of stalls and unusual attitudes by explaining both the aerodynamic theories and the inflight recovery procedures. With the added understanding, John hopes that you will expand your personal envelope and become a safer and more confident pilot.

**Directions:** Meeting will be at the FBO (Right Rudder Aviation) on the SE Corner of the Inverness Airport (INF). Both Ramp & Auto Parking are available.

### **A message from the National FAASafety Team Manager**
