

General Aviation Pilots Primer on Aircraft Inspections

Our speaker will engage the audience on the issues most important to General Aviation pilots regarding airworthiness and the documents critical to the pilot. This will start the discussion of what is required to perform 100-Hour and Annual Inspections.

Directions: From Colonial Drive turn south on Rickenbacker Dr. Continue through the Fairgreen St intersection to the end of Rickenbacker Dr. and into the parking lot. Park in any available designated spot. Walk east to the Airport Administration Building.
