

IMC Club Meeting - IFR Trivia

We'll start the evening's 2-hour event by covering the IMC Club question of the month. Then, we will play IFR trivia covering FARs, navigation, systems, and all the topics your CFII warned you about. Your attendance counts towards your WINGS credits. This is a good review for your instrument practical or Instrument Proficiency Check!

Directions: The Vigilante Room at Sanford Airport; it's in the Rental Car Building near the Commercial Airline Terminal. If you fly in to KSFB for this WINGS event, you can park at Millionaire FBO and get a courtesy ride over to the seminar's location in the Vigilante Room. Parking validation is available.
