

Additional Air Charter Resource (Free on-line course) on www.faa.gov:

ALC-697: Air Charter Safety

https://www.faa.gov/gslac/ALC/course_content.aspx?CID=697&SID=1387&preview=true

This Advanced WINGS-credit course about air charter safety will help you understand the federal regulations and definitions of private and commercial pilot privileges, charter operations, operational control, wet and dry leases, holding out, compensation, and expense sharing to help keep you out of legal trouble. It will also illustrate the differences between 14 CFR part 61 pilot privileges and limitations and operating rules for part 91 and part 135.
