

Orlando FSDO FAA Safety Team presents:

Daytona Beach Special Focus Runway Safety Action Team (SFRSAT) Meeting

The purpose of the Special Focus RSAT meeting is to discuss factors contributing to surface events including runway incursions and excursions, surface incidents and wrong surface operations. Of particular interest at DAB are pilot deviations and runway incursions. We plan to discuss the history and characteristics of these trends as well as mitigation strategies to address the matter and increase airfield safety. We are inviting you and other safety professionals from all major airport interests. See also the related announcement for the Pilot Controller Forum or PCF, Monday 27 Feb at the same location, at 6 pm (SPANS Select ID SO15119898). Both events are free to attend and offer WINGS credit! See attached Letter of Invitation and RSVP before February 13, 2023
Note: Meeting 9am to 1pm

Directions: Park in short term parking lot. Parking vouchers will be provided. Parking is free. Enter the main terminal building, up the escalator, Dennis McGee Room is back and on the left.

Fly-Ins: Set KDAB as destination. Park at Sheltair; inform receptionist you are attending the FAA Safety Meeting in the Terminal Building, 200 yards west.
