

Orlando FSDO FAA Safety Team presents:

Coast Guard Air Station Miami!

The Treasure Coast FAASTeam is proud to host a two-hour seminar presented by THE UNITED STATES COAST GUARD, Air Station Miami. Please join us as the Coast Guard fly in with a MH-65 Dauphin twin-engine helicopter around 1630, then answer some questions about their aircraft and equipment on the ramp outside of Skyborne Airline Academy (weather permitting). Around 1730, we'll move inside where the crew will provide a verbal briefing of radio procedures, scenarios, Search and Rescue (SAR) missions, demo equipment, maintenance requirements and answer questions, along with providing some survival tips when traveling over open water or uninhabited land. The Orlando FSDO-15 FAA Safety Team (FAASTeam), along with your local Treasure Coast FAASTeam, encourages all aviation safety minded individuals to come and attend our every third Thursday of the month safety seminars. COVID-19 Statement: "Prior to attending a seminar, please review and abide by applicable CDC, State, and Local public health guidelines."

Event Details

Thu, Apr 20, 2023 - 17:30 EDT

Skyborne Airline Academy

3530 Cherokee Drive

Classroom M

Vero Beach, FL 32960
