

Orlando FSDO FAA Safety Team presents:

Jax IAP Runway Safety Action Team Meeting

FAA's Air Traffic Organization (ATO) organizes annual Runway Safety Action Teams (RSAT's) at Towered airports. These RSAT's collect safety data related to runway utilization and operations at those airports. Your JAX RSAT Team is preparing to host a two-hour meeting to debrief the public on what they have achieved since their last public meeting. Discussions will cover pilot deviations, runway incursions, safety enhancements, and future plans. Public welcome! Seating is limited, and pre-registration is strongly encouraged for this two-hour presentation!

COVID-19 Statement: Prior to attending a seminar, please review and abide by current CDC, State, and Local public health guidelines.

Directions: The JAX airport complex is well-marked from the major highways including I-95 and I-295. Approaching JAX Airport, Yankee Clipper Drive turns into Dixie Clipper Drive. The International Conference Room is at the far south end of the Terminal Building along Dixie Clipper Drive, adjacent to the Allegiant Air / Silver Airways ticket counters. Park in paid public parking. See attachment below for diagrams to help get to the event. Parking will be free with validation provided at the meeting.
