

## CAPA Hangar Talk - Going Glass

The Craig Airport Pilots Association presents David Cristol, and his organized Hangar Talk with monthly topics that focus on education and fun exploring new endeavors. .

Bragg Avionics has generously offered to host us to discuss the glass transition. Still flying steam gauges and want to see what the hype is about? Have some glass but thinking about more? Come by and see demonstrations of the many options available to you.

Discussion to include:  
Making the transition  
Capabilities of the equipment  
Completing an avionics makeover  
Demo of some of the latest avionics and some of the older glass options

Hands on demos of the avionics begins at 6pm.  
Presentation and discussion at 6:30.
