

Busting Bravo and Tower Talk

We examine several serious bravo incursions and discuss how to get clearance for a VFR Bravo airspace entry. We look at techniques, scenarios and helpful procedures to keep us safe and separated from Bravo traffic. Special Guest speaker: Sanford Tower is sending Controller Kim Boyle who will discuss good VFR & IFR procedures for Sanford and Orlando as well as answer our questions for anything that we wish to know related to our local airspace. Don't miss it! Limited Seats

The Vigilante Room at Sanford Airport; it's in the Rental Car Building near the Commercial Airline Terminal. If you fly in to KSFB for this WINGS event, you can park at Million Air FBO and get a courtesy ride over to the seminar's location in the Vigilante Room. If you drive, you can park in short term parking and parking validation is available at the conclusion of the meeting.

A message from the National FAASTeam Manager
