

## Accepting an Aircraft for Flight

An aircraft is rendered unairworthy with almost any maintenance activity in progress. Before they can accept an aircraft for flight operations pilots have to know that maintenance has been performed to accepted standards and the aircraft is once again airworthy.

From Colonial Drive turn south on Rickenbacker Dr. Continue through the Fairgreen St intersection to the end of Rickenbacker Dr. and into the parking lot. Park in any available designated spot. Walk east to the Airport Administration Building.
